

Subscribe to Emerald databases

The management of the Institute of Banking Studies (IBS) is pleased to announce the subscription to the Emerald electronic databases as of 1/1/2024, aiming to provide the service of obtaining information sources and electronic databases that will benefit faculty members and students of the Master's program in Banking & Finance held at the Institute in cooperation with the University of Jordan and all those interested in this field. This subscription includes specialized scientific research and articles in the fields of economics, finance, banking and accounting in peer-reviewed scientific and international journals and bulletins that are constantly updated. This measure comes as part of the Institute's continued fulfillment of the requirements for accrediting the master's program by the Accreditation and quality Assurance Commission for Higher Education Institutions in Jordan. Beneficiaries from this service can physically visit the institute and access the Emerald databases through the computers available in the institute's library.
